**Come and Learn about the Bay Area Community Service Group
 Next Meetings: 8 June, 13 July
 Big Books and lots of other literature available**

If you wish to show your gratitude that CoDA was there when you needed it, help keep CoDA going strong by providing service at the Bay Area Community Service Group (BACSG). Generally the BACSG meets on the 2nd Sunday of each month (no meeting in May), 10 a.m. (lasts upto 2 hours) at Summit Hospital, 3100 Summit St., Oakland 94609: from the main entrance of Providence Pavilion, take the first right into cafeteria, then through the double doors into the Conference Room (if locked call security, ext. 7847, from the front desk). From east I-580 take Webster Street/Broadway exit: left on Webster, right on Hawthorne, left on Summit (Providence Pavilion on left). All groups are encouraged to send a representative -- and anybody in CoDA is welcome. Elections for available BACSG offices are held at February and August meetings.

CoDA services are funded by meeting contributions in excess of prudent reserves; we suggest this distribution:
 60% Bay Area Community Service Group (BACSG), 910 Savannah Court, Walnut Creek, CA 94598
 30% Northern California CoDA, 1800 21st Street, PMB-230, Sacramento, CA 95814-6812
 10% CoDA World Fellowship, PO Box 33577, Phoenix, AZ 85067

Please provide updated information for this list by leaving a message at voicemail 415/905-6331, call the contact person for your County, or bring it to the Bay Area Community Service Group (BACSG --- a business meeting of group representatives and members at large from the CoDA community).

STAY UP-TO-DATE -- get the latest meeting list at: www.sfbaycoda.org/MeetingList.pdf
